

**Washington Elementary  
Title I Parent Participation Plan  
2022-23**

Washington Elementary staff is committed to the goal of providing quality education for every child in our school. Everyone gains if parents are partners with teachers and other staff in the education of their children.

Washington Elementary staff believes that in improving student academic achievement, it is essential that parents have an understanding of curriculum, academic achievement standards, assessments, district/school policies and procedures, and how to monitor their children's progress and work with educators.

Parent Participation Plan-Washington Elementary staff will jointly develop/revise with parents the school Parent Participation Plan at the fall Parent Advisory Committee Meeting. The plan will be distributed to parents and the local community in newsletters, on our school website, and at other parent events and meeting times. Later in the school year, the School-Parent Compact will be reviewed and revised with the input of parents for the following school year.
